

Hewett Fundraising Group

Who are the Hewett Fundraising Group?

The Hewett Fundraising Group consists of parents/caregivers/community members who are willing to volunteer their time to organise and supervise much needed fundraising activities for our school.

Funds raised directly benefit the students at our school through the purchase of equipment, such as interactive whiteboards and sports goods which help to enhance our children's learning and school participation.

What commitment is involved? As much or as little as you are able.

The Hewett Fundraising Group meets on the first Wednesday of each month. This is an opportunity to have a coffee and plan events. Attendance at these meetings is not compulsory; however, we are always in need of people willing to take the lead on planning events.

Ideas and input from a variety of people ensures that activities and events are constantly evolving and improving. Many events take some time to organise. The more the load is spread the better it is for all.

Volunteers are also required for the actual day of a planned event. Without volunteers many of the fundraising activities would be unable to go ahead.

Please make enquiries at the Front Office.
